

I NEVER THOUGHT

VERSE 1

I never thought
That not to die
Could be so sad

VERSE 2

I never thought
That the sound of a heartbeat
Could be so loud

CHORUS

Now all I want
Is not to cry
And not to beat
And not try
And not to sit
Waiting for something
That won't arrive
I don't want just to survive

VERSE 3

I never thought
That so much luck
Could be so faithless

VERSE 4

I never thought
That so much light
Could be so dark

CHORUS

Now all I want
Is not to cry
And not to beat
And not try
And not to sit
Waiting for something
That won't arrive
I don't want just to survive

BRIDGE

I want to try
No need to cry
I just want to be this again

I want to see my street
Without being discrete
I just want to be this again

I want to say "Hi"
I want tears when I die
I just want to be this again

Maybe go to a feast
And don't pass as a beast
I just want to be this again

I NEVER THOUGHT

I don't want more pink
AI want to take a drink
I don't want to be alone
I want to break this stone

I want to walk outside
I want to be wide
I want to take a ride
And maybe be a bride

CHORUS

Now all I want
Is not to cry
And not to beat
And not try
And not to sit
Waiting for something
That won't arrive
I don't want just to survive
