

Someday

VERSE 1

I might have to run
Someday
And leave all this way
Behind
My broken mind

VERSE 2

“We’ll do it again
Someday”
That’s what they all say
No doubt
That’s what love’s about

CHORUS 1

(Isn’t it? Love is all about)
Lying
With a blind eye, with a kind face
Love is all about
Taking something new and break it
Lose something you can’t replace

VERSE 3

Will I be brave?
Someday
Brave enough to stay and see
How it would be like for me

BRIDGE

See how I would get old
Tell what I’ve been told before
When I thought the world was more (more)

CHORUS 2

(Will I love or will I still be)
Lying?
With a blind eye, with a kind face
Is it all about
Taking something new and break it
Lose something you can’t replace

CONCLUSION

Will I find out what love is
Someday?
