

TELLING ME I'M DEAD

PRE-CHORUS 1

Am It's like another person is inside of me **E**
It's like sometimes my mind just flies away with me **G**
It's like I have this weird voice in my head **D**
Telling me I'm dead

CHORUS

Am I know I sound crazy **E**
You must think I'm just lazy
But I'm not **G**
I'm just a little bit hazy **D**

VERSE 1

Am I can sing, I can write **E**
I'm a king in a fight
If I win I'm just normal **G**
But if I don't I'm just not, in the story **D**

PRE-CHORUS 2

Am It's just like I'm here locked in this room **E**
It's just like I'm here waiting for the boom **G**
It's like I have this weird voice in my head **D**
Telling me I'm dead

CHORUS

Am I know I sound crazy **E**
You must think I'm just lazy
But I'm not **G**
I'm just a little bit hazy **D**

TELLING ME I'M DEAD

VERSE 2 **Am** **E**
I can play all alone

I can stay in my zone
 G
But I can't do
 D
Anything else (oooh)

VERSE 3 **Am** **E**
I pray every day

And I wait every time
 G
For the rhyme
 D
That would come to save me (to save me)

CHORUS **Am** **E**
I know I sound crazy

You must think I'm just lazy
 G
But I'm not
 D
I'm just a little bit hazy

VERSE 4 **Am** **E**
I think in reverse

Trying to know what's the curse
 G
But I never did
 D
I mean I'm just a kid (I'm just a kid)

VERSE 5 **Am** **E**
I think in reverse

Trying to know what's the verse
 G
But I never did
 D
It's just unfair indeed (unfair indeed)
