

What if there was no forever

VERSE 1

G
Lying in my bed
Em
Facing a poster on the wall that helps me forget
G
While fish swim in the sea
And birds sing in the tree
Em
I'm just stuck in this hollow silhouette
Am
And while regret
B7
Spreads its roots under my skin
Em
Joy's outside trying to get in
Am Em Am
Ooooooooooh ooooooooooh

VERSE 2

G
A teacup in my hand
Em
And a movie that reminds me: "got to change"
G
Later that night, on the couch trying to write
Em
About something that I would never strange
Am B7
And while the unreal takes upon all of my hopes
Em
Joy's getting rid of all my ropes
Am Em Am
Ooooooooooh ooooooooooh

CHORUS

C B7
I know
Am
The snow's still white
The sun's still bright
Em
And I'm a fool to think I'm right
C B7
But I keep
Am
Waiting for the past
Em
Making memories last
C B7 Em Am C B7
Wondering what if there was no foreveeeeeeeeeeeeeeeeeeeeeer

What if there was no forever

VERSE 3

G
Wandering through town

Just passed that bookshop
Em
Hoping it would smell the same
G
But now they're all worried about their looks

Plates displaying new books
Em
But none of them has written your name
Am **B7**
And while the noise seems to last eternally
Em
People go and in the end it's just me
Am Em B7
Ooooooooooh ooooooooooh

And I'll go
B7
I'll show up with nothing but a sorry and a rose
